Do you have a book of values and targets of each school? An educational project?	No specific book on values as all lessons on values are incorporated in all subject areas.					
Would you say some of the most important values and targets in your school?	Development of the core values capsulized by the acronym CHEERS – Compassion, Humility, Empowerment, Excellence, Respect for Life & Service					
What is your most important difficulty in your work as Claretian Missionary Teacher?	No consistent, permanent and full time Spiritual Director. Formation then is not comprehensive.
