Do you have a book of values and targets of each school?	Yes. We have moral periods once in a week with a prescribed book. Nursery School: Moral Story Book; Primary School: Moral Lessons in Term Book and Secondary School: A book called 'Garden of Life'. We also teach morals in assembly.					
An educational project?	Yes. We make Annual Project every year taking into account the various dimensions of the school making concrete plans for the school.					
Would you say some of the most important values and targets in your school?	Main Values / Targets of the school are three fold: 1. Academic Excellence (Wisdom) 2. Good Behaviour (Love) and 3. Fluency in Spoken English (Timely)					
What is your most important difficulty in your work as Claretian Missionary Teacher?	The most important difficulty as a Claretian Missionary Teacher is inexperience in education field.					

Would you send me 5 pictures of your school?

Yes. The Photos are attached. (Q. 1 -7)

Would you send me the shield and the motto of your school?

The 'shield and motto' are attached (Q. 8). The explanation of 'the shield and the motto' is: Curriculum of St. John's, on the one hand imparts updated vistas of knowledge with all its scientific temper and on the other, addresses to the latent goodness in the children to love and serve the underprivileged. Therefore, fostering of "Love and Wisdom" becomes the substratum of all curricular and Co-curricular syllabi of the School.
